The Nevada Airports Association (NvAA) is a non profit association. *The purpose of the association is to promote and sustain the development of all airports in the state of Nevada.* Members include representatives from airports in Nevada and city, county, state and federal agencies. There are also many corporate and associate members representing aviation and engineering interests.

The association holds a conference in the spring each year and a general membership meeting at the conference. Exhibitors and sponsors are encouraged to participate in both the conferences and general membership meeting.

*Without the support of our sponsors, we would not be able to present these conferences. Please consider becoming a member and sponsor of NvAA! Sponsorships will be recognized on the program and displayed on a kiosk at the event.*
